

Figura 5 – Le decisioni dei vari stati sull'ampliamento dell'assistenza sanitaria (Luglio 2013)

NOTES: 1 - Exploring an approach to Medicaid expansion likely to require waiver approval. 2- Discussion of a special session being called on the Medicaid expansion. SOURCES: Based on KCMU analysis of recent news reports, executive activity and legislative activity in states. Data reported here are as of July 1. It is important to note that per CMS guidance, there is not deadline for states to implement the Medicaid expansion. Requirements for legislation to implement the Medicaid expansion vary across states.
